RE: Closure of DOGM File, John Stevenson, Operator, Tuscon #6, S/037/073, San Juan County, Utah

The Tuscon #6 mining notice was listed as abandoned by the BLM on 4/98 and their file was closed. Holland Shepherd of DOGM inspected the millsite in 7/93 and noted minimal disturbance at that time. The amount of disturbance at the mine site was estimated to be no more than .1 to .2 acres. Due to the circumstances surrounding the abandonment, the Division will close our file at this time.

The file should remain on the abandoned list for future reference.
